St Patrick's Preschool

December News 2025

Holiday Program:

We are very excited to sing some holiday songs for you on December 19th in the sanctuary. Teachers and children are practicing singing and dancing to some winter favorites. Please join us in seats by 10:45 a.m. Doors will open at 10:15 a.m. Grandparents and extended family are welcome.

Once songs are sung children will exit the sanctuary into the front foyer, where parents can follow. Please enjoy a Christmas cookie and snap some photos with friends before heading out for winter break!

Lunch Bunch will not be offered on the 19th. All children will go home after the program with parents or guardians.

We wish you a safe and love-filled holiday and a prosperous 2026!

From The Director:

Thank you for trusting us with the care of your amazing children. We truly love what we do, and this amazing group of children makes each day special. Thank you for your ongoing support and willingness to jump in when we ask to provide snack, bring treats, or send things from home. We are extremely fortunate to have such loving families.

As Director of St. Patrick's Preschool my goal is to provide each child and family with the best experience possible. I am fortunate to have an amazing staff that use their unique skills to make learning fun. Each staff member strives to truly get to know every child in order to provide what is needed to help them succeed. Please show lots of love to these amazing women who work tirelessly each day.

Merry Christmas!
